“She’s Got You” Song by Patsy Cline

She’s Got You lyrics © BMG Rights Management, Sony/ATV Music Publishing LLC, Warner Chappell Music, Inc, Word Collections Publishing

I've got your picture
That you gave to me
And it's signed with love
Just like it used to be
The only thing different
The only thing new
I've got your picture
She's got you

I've got the records
That we used to share
And they still sound the same
As when you were here
The only thing different
The only thing new
I've got the records
She's got you

I've got your memory
Or, has it got me
I really don't know
But I know, it won't let me be

I've got your class ring
That proved you cared
And it still looks the same
As when you gave it, dear
The only thing different
The only thing new
I've got these little things
She's got you

I've got your memory
Or, has it got me
I really don't know
But I know, it won't let me be

I've got your class ring
That proved you cared
And it still looks the same
As when you gave it, dear
The only thing different
The only thing new
I've got these little things
She's got you

The afternoon ended with Kay singing “Put a Little Holiday in Your Heart”.
